What is DARE?

The **Disability Access Route to Education (DARE)** is a third level alternative admissions scheme for school-leavers whose disabilities have had a negative impact on their second level education.

DARE offers reduced points places to school leavers who as a result of having a disability have experienced additional educational challenges in second level education.

Should I apply?

- If your disability has had a negative impact on your educational performance in school.
- You may not be able to meet the points for your preferred course due to the impact of your disability.
- You are under 23 years of age as at **1 January 2021**.

Disabilities eligible for consideration

- Autistic Spectrum Disorders (including Asperger's Syndrome)
- ADD / ADHD
- Blind / Vision Impaired
- Deaf / Hard of Hearing
- DCD – Dyspraxia
- Mental Health Condition
- Neurological Condition (Incl. Brain Injury & Epilepsy)
- Speech & Language Communication Disorder
- Significant Ongoing Illness
- Physical Disability
- Specific Learning Difficulty (Dyslexia & Dyscalculia)

DARE Eligibility Criteria

- To be eligible for DARE you must meet **both** the DARE **educational impact** criteria and **DARE evidence of disability criteria**.

Applicants must provide the required evidence of their disability and provide an Educational Impact Statement from their school to be considered for DARE.

Educational Impact

Has your disability impacted on a combination of the following?

1. Have you received **intervention or supports** in post-primary school?
2. Has it **impacted on your attendance** or regularly disrupted your school day?
3. Has it affected your **school experience and well-being**?
4. Has it impacted on **your learning or exam results**?
5. Has it caused any **other educational impact**?
6. Required for applicants with a Specific Learning Difficulty: is it severely impacting on your **literacy or numeracy skills**?

Benefits of DARE

Reduced Points

- An example: If the Leaving Certificate points for a course are 366 points, an eligible DARE applicant could be offered a place with a lower points score e.g. 356 points.
- Applicants need to **meet entry** and **programme requirements** to be **considered for a DARE reduced points offer**.
- The amount of points a particular course is reduced by is dependent on:
 - The overall number of places on the course
 - The number of reserved DARE places on the course
 - The number of DARE eligible applicants competing for these reserved places.
- The reduction in points for DARE places can vary every year.

Benefits of DARE

- Orientation Programmes
- Learning Support
- Assistive Technology
- Library Support
- Exam Accommodations
- Educational Support Worker
- Academic Tuition

- You don't have to be eligible for DARE to get support in college.
- A needs assessment is conducted to identify your specific support requirements.
